Municibid.com, LLC (“Municibid”) is committed to providing a positive user experience to all our customers and we aim to facilitate the accessibility and usability of our website (“Website”) for all, including those with disabilities.

Conformance Standard

Municibid intends for its Website, to the greatest extent possible, conform with the Worldwide Web Consortium’s Web Content Accessibility Guidelines version 2.1, Level AA Conformance (WCAG 2.1 Level AA). Where conformance with these standards is not technically feasible or may require extraordinary measures to implement the standards, Municibid has provided alternative means by which those with disabilities may access or interact with the website, including, but not limited to, by implementing a telephone number to provide live support in accessing the website and a messaging system on the Website to allow users to communicate with Municibid experts. Municibid also provides an email address to provide website accessibility support.

Municibid takes web accessibility seriously and prioritizes accessibility error and bug fixes to ensure that they are remedied at the same level of priority as any other critical website feature. Municibid also trains its employees and relevant contractors to ensure that they can aid those with disabilities in placing orders both through the Website and through alternative means.
